Hi Silas,

This email serves to notify you that the *Temporary Donation to the Trust Water Rights Program Form* (ECY 070-488) you submitted on behalf of Farrah Wardenaar on October 13, 2026, has been accepted and assigned tracking number CG3-24921@1.

1120-acre feet per year is now enrolled in trust as a temporary donation **to December 31, 2026,** according to the terms in the submitted form. You may request to cancel the donation before the term expires by sending a request to wrERO@ecy.wa.gov.

Ecology's acceptance of the donated water right into the trust water right program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

Sincerely,

Molly Davis
