Re: Water Right No. CS4-CCVOL3P1030

Dear New Mission LLC:

In response to your request, you are hereby granted an extension to complete construction for the reason(s) below:

- Work and travel restrictions imposed during the declared covid pandemic emergency reduced the ability of employees and contractors to complete scheduled work.
- Supply chain issues resulting from the pandemic reduced that availability of construction materials.
- Supply chain issues resulting from the pandemic artificially inflated the costs of construction materials above and beyond budgeted amounts.
- Since the last extension, there was a T2 to Bomber pipe replacement, 3760' of 8" pipe installed, 120' of 6" pipe installed, 700' of 2" pipe installed, 31 hydrant/pedestal combos installed, and \$192,141.00 spent on construction.

The new deadline to submit your *Construction Notice* is **January 1, 2028**.

If you have any questions, please contact Water Resources Help Desk at 509-575-2597.
