Re: Water Right No. G4-30953P

Dear REPO, LLC:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reason(s) below:

- Due to erroneous meter data that was discovered post irrigation season. They want to assess the validity of meters, and fix and/or upgrade if necessary.
- Due to issues with COVID 19 in 2020 creating labor issues and subsequent lack of use. At this time our acreage has not fully utilized the water.

The new deadline to submit your *Proof of Appropriation of Water* is **January 23, 2023**.

If you have any questions, please contact Water Resources Help Desk at 509-575-2597.
