Re: Water Right No. S4-33061, G4-33047, G4-33188

Dear Grant County PUD No. 2:

In response to your request, you are hereby granted an extension to complete construction for the reason(s) below:

- Grant County PUD No. 2 has shown good faith and reasonable diligence through the drilling of an additional well and related infrastructure, the installation of distribution manifolds, and the installation of flow meters.
- The extension will allow Grant County PUD No. 2 more time to obtain accurate metering data, develop alternate water supplies, and to determine the volume and timing of broodstock availability.

The new deadline to submit your *Construction Notice* is **June 1, 2025**.

If you have any questions, please contact the Water Resources Help Desk at (509) 575-2597.
