Re: Ground Water Permit No. G3-01043

Dear Mr. Tippett:

In response to your request, you are hereby granted an extension to begin construction for the reason(s) below:

- According to your request, there were only 5 weeks between the Franklin County Water Conservancy Board's decision and Ecology's modifications to said decision, which was not enough time to begin construction.
- Be advised that the State Water Code requires that your project be pursued with diligence. It is important that development of your project continue within the time prescribed in this authorization.

The new deadline to submit your *Beginning of Construction Notice* is **November 1, 2024**.
