In response to your request, the development schedule for the above referenced water right has been extended as follows:

Beginning of Construction: May 1, 2023

Basis of extension approval:

- Funding to drill the proposed well was secured late in 2021 and Skamania County has plans to schedule drilling of the well to occur in late 2022, provided no unforeseen delays in the project occur.

Ecology will be sending you the appropriate form to complete and return to us when this date approaches.
