NARRATIVE DESCRIPTION OF PROJECT:
 The County is seeking to change the place and purpose of use under S4-84433-J (Court Claim 02064); S4-84434-J (Court Claim 02064); S4-85098-J (Court Claim 01049);and S4-84524-J (Court Claim 02064).The County intends to change the purpose of use for these rights to instream flow and mitigation and change the places of use to Coleman Creek, beginning at the historical points of diversion to the Yakima River, and in the Yakima River, beginning at the confluence with Coleman Creek to the Columbia River. These water rights will be enrolled in the State Trust Water Right Program. The County intends to incorporate these rights into the Kittitas County Water Bank subject to the Trust Water Right Agreement between Kittitas County and Ecology. New mitigation provided through the Over-the-Counter program will not exceed the number of connections previously approved by the WTWG.
