

**WATER TRANSFER WORKING GROUP PROJECT DESCRIPTION**

APPLICATION NO. <b>CS4-01651@10</b>		
APPLICANT NAME <b>Selah-Moxee Irrigation District (SMID)</b>	CONTACT <b>Megan O'Brien</b>	CONTACT'S TELEPHONE NO <b>509-607-0059</b>
WATER RIGHT HOLDER'S NAME (if different) <b>Same as above</b>		CONTACT'S EMAIL <b>mobrien@aspectconsulting.com</b>

DATE OF APPLICATION <b>4/25/2019</b>
---

WATER SOURCE: <b>Yakima River</b>	CROP: <b>None</b>
INSTANTANEOUS QUANTITY: <b>Up to 10 cfs</b>	ANNUAL QUANTITY: <b>Up to 3,352 ac-ft/yr</b>
PERIOD OF USE: <b>May 15 through October 31, 2019</b>	
PLACE OF USE: <b>SMID service area and the Fowler Ditch Service Area</b>	PURPOSE OF USE: <b>Conveyance</b>

NARRATIVE DESCRIPTION OF PROJECT:
<p>This change is to add a point of diversion to and add the Fowler Ditch Association's canal to the place of use of SMID's right, S4-84594-J. Historically, Union Gap Irrigation District (UGID) had diverted up to 60 cfs at the Fowler Ditch Point of Diversion (POD) and this water helped Fowler Ditch deliver water within their service area but because of the Rattlesnake hill landslide, UGID will not be diverting water for the lower portion of the district at the existing POD. SMID/Fowler is planning to divert up to 10 cfs down the Fowler Ditch to replace the water that used to be diverted for UGID. Currently, SMID's water that will be used for this change is in temporary trust.</p>
