regions

## Water Right Documents: Review and Comment

Welcome to the Water Resources Program Central Region Office (CRO) public posting portal. Your input is valuable to our decision-making process. To view documents posted in other regions, use the links above.

Documents are posted here for a review or comment period. If a document is posted here for review, there may be an associated statutory appeal period. If there is no statutory appeal period or the appeal period has ended, the document is posted for public awareness only. If a document is posted here for comment, we are currently accepting public comments. Additional information on the documents we post, including how to submit a comment or file an appeal (as applicable), are included by document type below and linked from our document tables.

To receive a notice when we post documents, join our [GovDelivery](#)  email list subscription. If you do not already have an account, an email address is all you need. As a new user, you will see a list of subscription topics to choose from. If you already have an account, click on "Subscriber Preferences", then "Add Subscriptions". Once you submit your preferences, you will receive emails from us as documents are posted. To change how often you receive email notifications for all subscriptions, click on the "Preferences" tab, then "Email Delivery Preference".

## Water Right Documents: Review or Comment

Welcome to the Water Resources Program Central Region Office (CRO) public posting portal. Your input is valuable to our decision-making process. To view documents posted in other regions, use the links above.

Documents are posted here for a review or comment period. If a document is posted here for review, there may be an associated statutory appeal period. If there is no statutory appeal period or the appeal period has ended, the document is posted for public awareness only. If a document is posted here for comment, we are currently accepting public comments and our comment form is linked in the document table. To comment, you need the water right file number associated with the document you are interested in.

To receive a notice when we post documents, join our [GovDelivery](#) email list subscription. If you do not already have an account, an email address is all you need. As a new user, you will see a list of subscription topics to choose from. If you already have an account, click on "Subscriber Preferences", then "Add Subscriptions". Once you submit your preferences, you will receive emails from us as documents are posted. To change how often you receive email notifications for all subscriptions, click on the "Preferences" tab, then "Email Delivery Preference".

## Water Right Applications

### Applications for New Water Rights and Reservoirs

### Applications for Water Right Change

Applications to change an existing water right include:

- Application to Change or Transfer an Existing Water Right
- Seasonal Change Application

We post complete applications for a 30 day review period. [Notices of water right applications are also published in local newspapers per RCW 90.03.280.]
