WebEx Log-In Tips

- If using the **Call In Number**, enter the **Attendee ID** number from WebEx when prompted
- Using the **Attendee ID** help us identify who is participating and who is talking
- Make sure you are not connected to audio through your computer AND phone by **connecting to WebEx first** and **using the Attendee ID** if you call in.

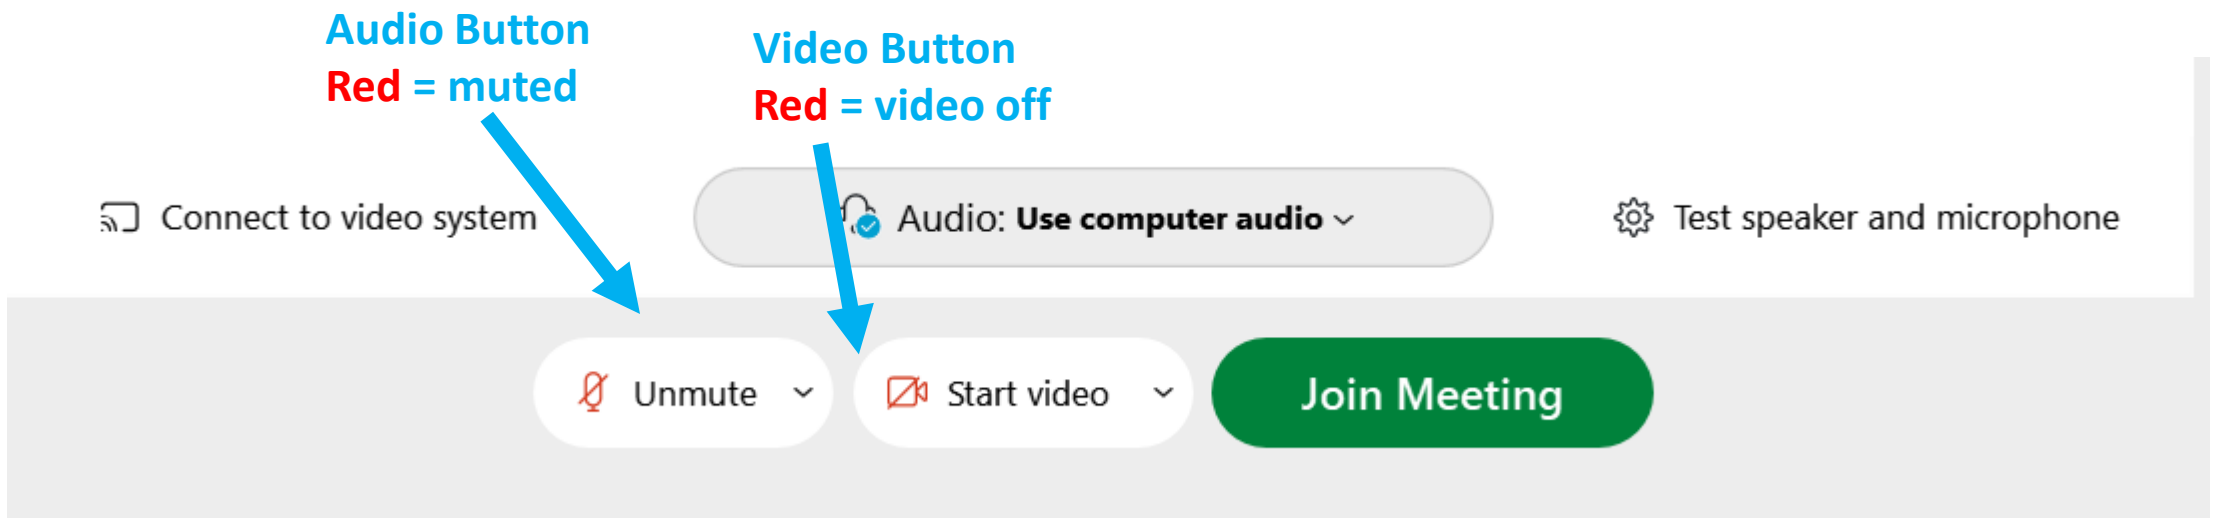

These numbers are for example only

For your meeting:

- Use the **Phone Number** and **Access Code** that the Host provided
- Use the unique **Attendee ID** that the system creates for you when you start WebEx

WebEx Participation Tips

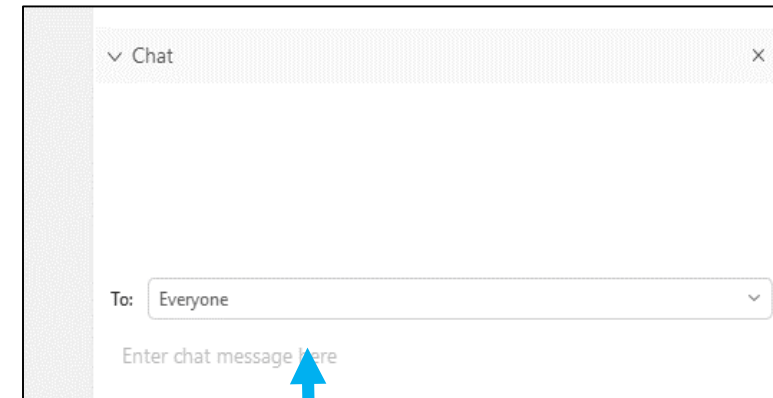

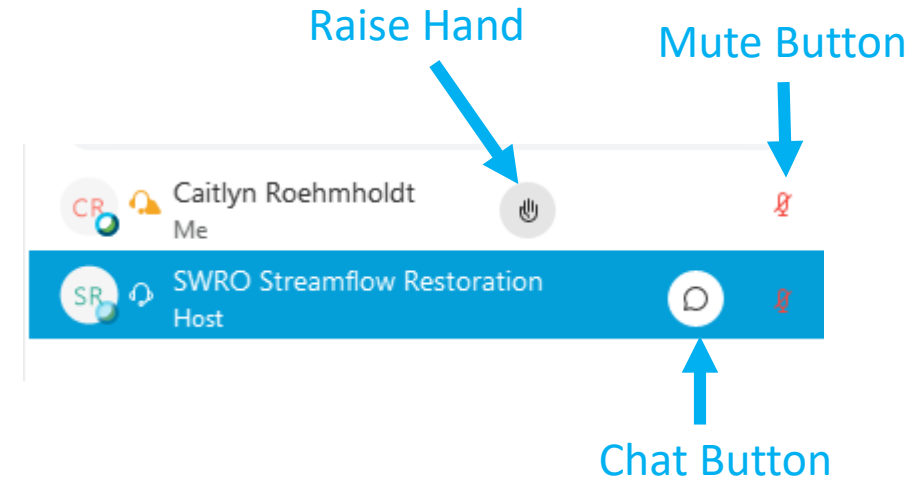

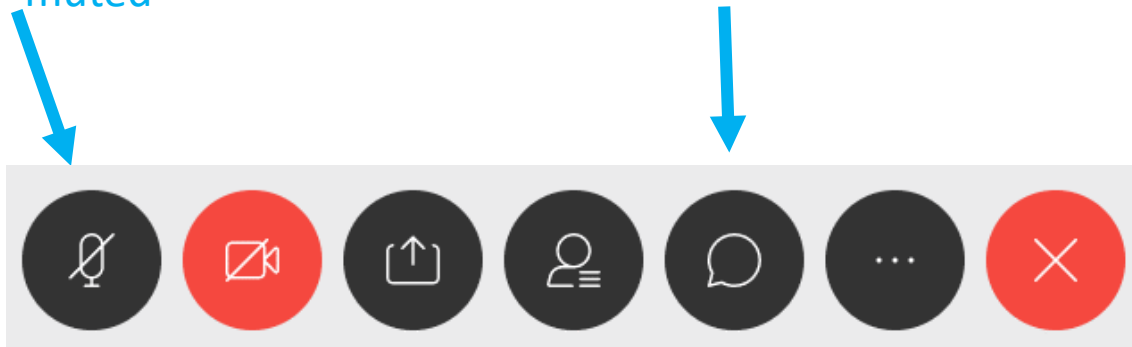

- Use a [headset/headphones](#) or take the call from a quiet space to reduce background noise/echo.
- Keep your phone or headset [muted](#) unless you are speaking to the group.
- Turn [off video](#) to conserve bandwidth.

WebEx Participation Tips

- Use the **chat function** to submit questions and comments and/or request to speak to the group
- Remember to **state your name** when you speak.

Mute Button
Red = muted
