Using computer for audio

Call me

Call in

Don't connect to audio

Use video system

Default - Speak...

Please note – if you ONLY use the call in number, your participation will be limited to specific times when we unmute call-in only participants.

WebEx Log-In Tips

- If using the **Call In Number**, enter the **Attendee ID** number from WebEx when prompted
- Using the **Attendee ID** help us identify who is participating and who is talking
- Make sure you are not connected to audio through your computer AND phone by **connecting to WebEx first** and **using the Attendee ID** if you call in.

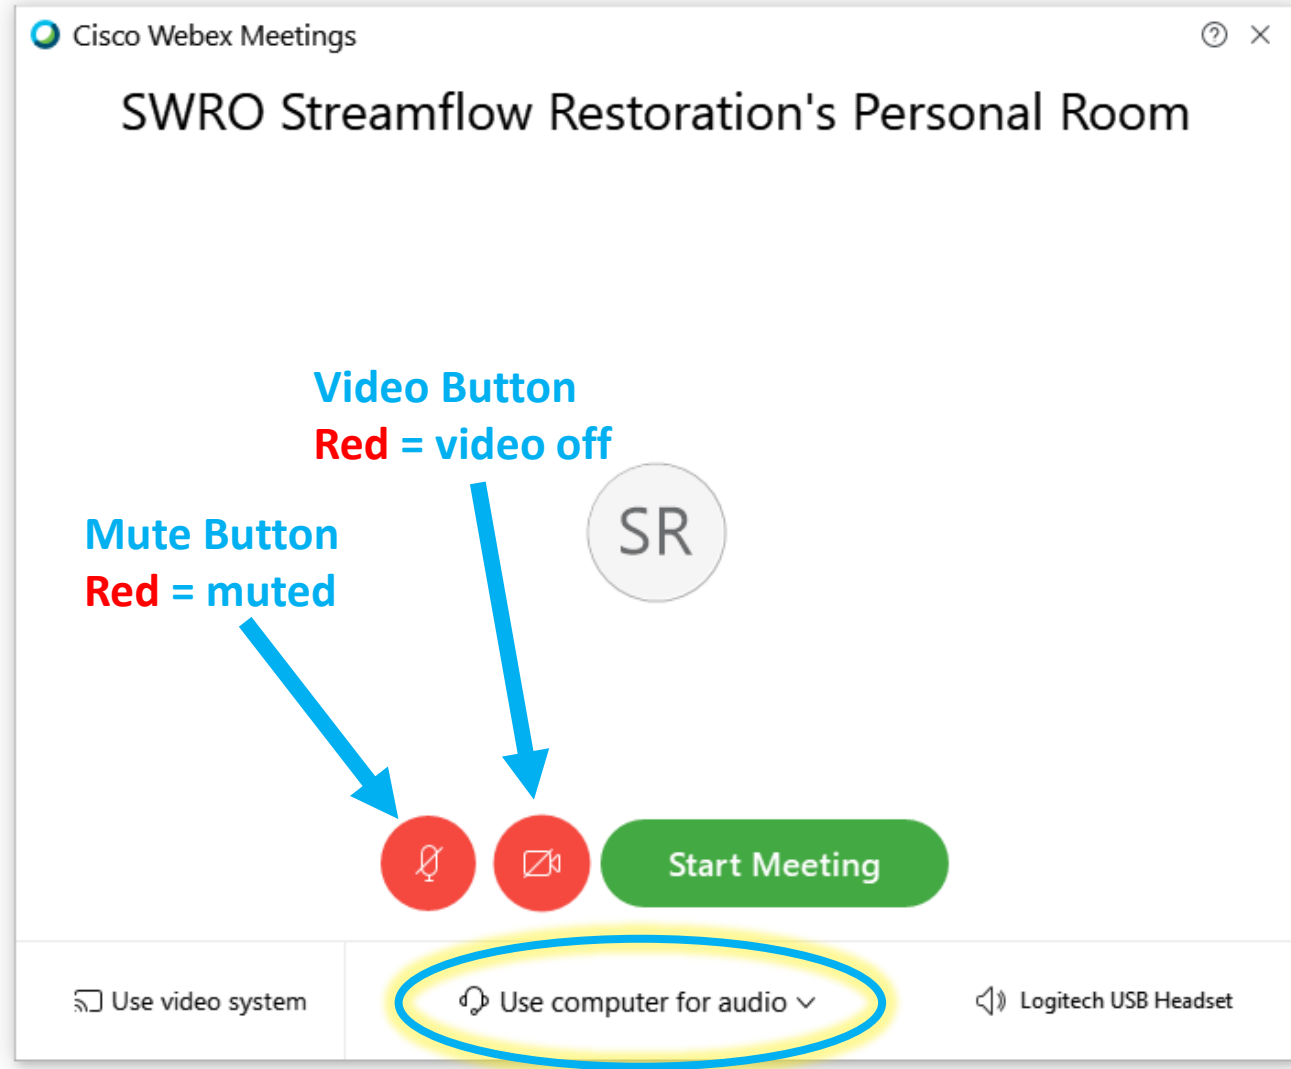

These numbers are for example only

For your meeting:

- Use the **Phone Number** and **Access Code** that the Host provided
- Use the unique **Attendee ID** that the system creates for you when you start WebEx

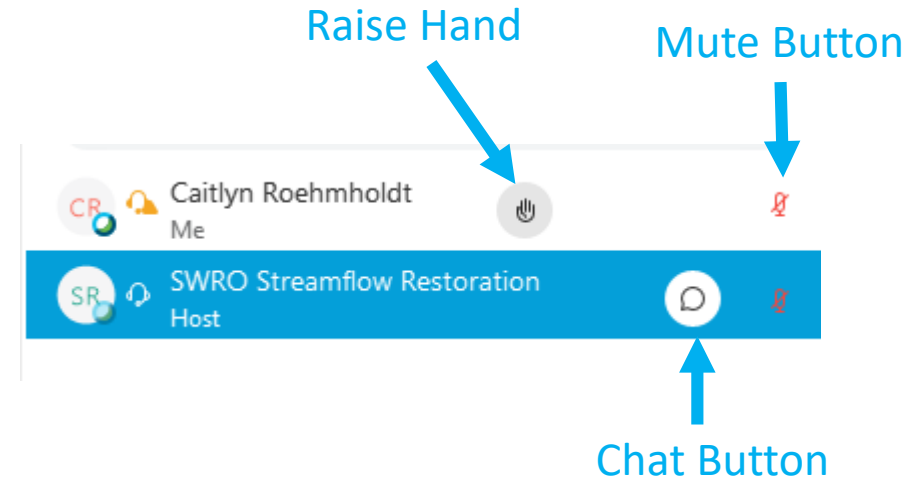

WebEx Participation Tips

- Use a **headset/headphones** or take the call from a quiet space to reduce background noise/echo.
- Keep your phone or headset **muted** unless you are speaking to the group.
- Turn **off video** to conserve bandwidth.

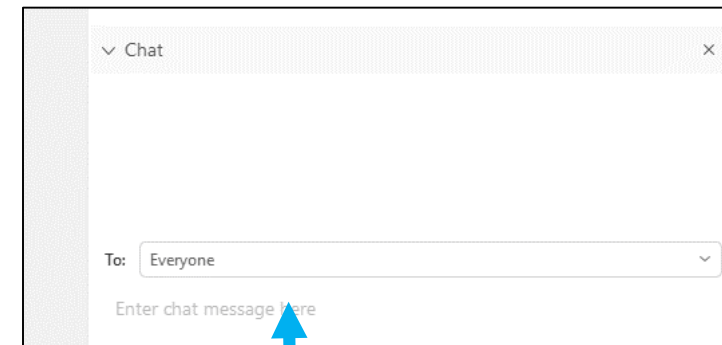

WebEx Participation Tips

- Use the **chat function** to submit questions and comments and/or request to speak to the group
- Remember to **state your name** when you speak.
